PROFILE

Dedicated Game Developer with a passion for problem solving, critical thinking and careful analysis of game mechanics/systems with the goal of creating accessible and engaging experiences for everyone.

EXPERIENCE

PERSONAL GAME PROJECTS

School & Home | 01/2017 - Present

(Details of these projects and more can be found on my portfolio website: www.funkdevsgames.ca)

Wind Digger - Demo (01/2020 - 05/2020)
The Death Of Me (04/2019 - 08/2019)

QA/COMPATIBILITY TESTER

Keywords Studios | 08/2017 - 08/2018

- Searching out and reporting bugs & related flaws in video games and computer software.
- Installing, updating and troubleshooting hardware, benchmarking games and applications as well as troubleshooting game launcher files.

PLUMBING CAREER

Multiple companies across Canada | 09/2007 - Present

- Dealing with clients and managing crews of varied sizes in tight budgets and timelines.
- Constantly evolving and changing industry, where no two days are the same.
- Provided meticulously detailed reports and quotes for each job and project I was responsible for.

EDUCATION

INDEPENDENT VIDEO GAME DESIGN - AEC

Dawson College | 2018 - 2020

RED SEAL ENDORSEMENT PROGRAM - PLUMBING

British Columbia, CA | 2007 - 2012
